La Quinta High School Fill the Truck Food Drive benefitting Martha's Village and Kitchen

Indio, CA (August 15, 2019) – La Quinta High School will be collecting non-perishable food items at the Fill the Truck Food Drive event on Saturday, August 17, 2019 from 9 am-12 noon located on the football field at La Quinta High School 79255 Blackhawk Way La Quinta, CA 92253. The Fill the Truck event will benefit Martha's Village and Kitchen.

The fill the Truck event will assist in restocking Martha's emergency food pantry. The emergency food pantry at Martha's Village is open Monday-Friday and provides nutritional emergency food and baby supplies to our neighbors in need. Martha's Village and Kitchen's emergency pantry would not be able to provide this service if it was not for the generous support and donations from the community since this program is solely funded through individual donors and food drives.

There is no single face of food insecurity, hunger, and the need for help. The working poor, the elderly on fixed incomes, college students, the impoverished, the disabled, children, families and individuals all benefit from this assistance.

If you or your group is interested in hosting a food drive or donating to our emergency pantry, please call 760-347-4741 Ext. 120 or visit our website at marthasvillage.org/donate.
